

Distech Controls' Eclipse Facilities Highly Commended at The Energy Saving Awards

[Lyon, France, 13 December, 2024] – Distech Controls, an innovative leader in intelligent buildings, and creator of the Eclipse Facilities solution have been recognised at the prestigious Energy Saving Awards held in London, on 6 December 2024.

Eclipse Facilities, a BMS software solution embedded directly within Distech Controls' Eclipse controllers, provides management and control for a variety of equipment types within small buildings. It received the "Highly Commended" accolade in the "Smart Buildings Product of the Year" category.

"We are honoured to be Highly Commended at this year's Energy Saving Awards," comments, Simon Ward, Director of Sales – UK & Ireland for Distech Controls. "Eclipse Facilities is a ground-breaking solution that is robust, secure and reduces Building Management System (BMS) complexity. We are delighted that the judges recognised the potential Eclipse Facilities presents to the industry and its energy saving capabilities. This achievement is a result of our dedication to push the boundaries of innovation and help our partners and customers make spaces smarter, safer and greener."

Eclipse Facilities

Eclipse Facilities is a game changer for system integrators, equipment manufacturers and leading digital partners who can leverage unparalleled openness and interoperability within Eclipse controllers to deliver advanced digital services. Eclipse Facilities streamlines the design, deployment, operation, and maintenance of sustainable, connected, and autonomous buildings with unparalleled efficiency.

Eclipse Facilities is available as part of a new suite of BMS solutions through Distech Controls. In addition to Eclipse Facilities, the Facilities software suite includes:

- Atrius Facilities: A cloud-based BMS software solution designed to enhance building operations and reduce energy usage.
- EC-Net Facilities: A software solution leveraging the Niagara framework both at the building controller and server level that specialises in advanced management and visualisation of building devices across small to large portfolios.

Eclipse Facilities was formerly known as Eclipse Building Intelligence.

The Energy Saving Awards

The Energy Saving Awards celebrate the very best professionals, products and projects across the Plumbing, HVAC and Energy Management sectors. The awards have been created to acknowledge the important work that has been achieved by manufacturers, installers, contractors, suppliers and organisations to reduce carbon emissions and become more energy efficient.
